The Counseling Ministries specialization is designed to equip the student with basic foundational concepts and theories in counseling and psychology including a biblically based model of counseling. This program also provides undergraduate preparation for effective Christian ministry and entry into graduate pastoral counseling programs.

Upon completion of this program students should be able to:

1. Discuss the basic foundations, concepts and theories of counseling and psychology.
2. Explain a biblically based integrative model of counseling and psychology.
3. Demonstrate an appropriate level of undergraduate preparation in the areas of counseling and psychology for effective Christian service and entry into graduate school.
