

Social Work

The Social Work degree program is designed to prepare and qualify the student academically, professionally and spiritually for quality educational and professional Christian service by providing knowledge and training in generalist social work and related disciplines, accompanied by appropriate elective studies. Students learn basic foundations, knowledge, research skills, policies, issues, practice methods, and social service delivery systems coupled with an understanding of a Christian perspective and ministry-related community outreach faith-based endeavors. The Social Work degree at Southwestern enables students to have a strong academic foundation for entry-level social work positions as well as admission to graduate social work professional programs.

Knowledge – Students should be able to:

1. Demonstrate competency in the general education core of the curriculum.
2. Demonstrate competency in the knowledge of Scripture and general theological terms and concepts.
3. Describe the significant personalities, events, and developments of Pentecostal history and explain the distinctive of Pentecostal doctrine.
4. Describe the significant personalities, events, and developments in church history and discuss their significance for the contemporary church.
5. Write a philosophy of ministry in keeping with a biblical view of the Church and its mission.
6. Take an exam for credentials for ministry related to their chosen field of service that results in a passing score.

Attitudes – Students should be able to:

1. Subscribe to a high view of the authority and inspiration of Scripture.
2. Acknowledge the Lordship of Christ over their personal lives and ministries and the fellowship of the Church.
3. Relate a personal commitment of the Church, its varied ministries and its mission within contemporary culture.
4. Accept the challenges and opportunities of ministry within their chosen major after leaving college.
5. Report a refined and deepened sense of calling in keeping with a defined awareness of giftedness.

Pre-professional skills – Students should be able to:

1. Integrate the knowledge and principles of social work into a biblical worldview.
2. Articulate a proper relationship between social work and Christian faith.
3. Demonstrate academic competence in preparation for advanced study related to this field.
4. Successfully apply knowledge and techniques of social work in supervised field experiences.
