The Bachelors degree in Psychology with a minor is designed to prepare students academically, professionally, and spiritually for quality educational and professional Christian service by providing training in counseling and psychology with an additional fund of knowledge in a the specialty area of the minor.

Upon completion of this program students will be able to:

1. Articulate biblical presuppositions that will inform and shape the understanding of psychology.
2. Discuss the basic foundations, concepts and theories of psychology.
3. Explain a biblically-based integrative model of psychology.
4. Function effectively in multivariate paraprofessional fields requiring psychological perspectives.
5. Demonstrate an appropriate level of undergraduate preparation for graduate programs in clinical psychology, counseling psychology as well as other psychology and ministry related fields and vocations.
