The Pastoral Leadership program is designed to develop professionals prepared for ministry in spiritual formation in Pentecostal church leadership roles in the 21st century throughout the lifespan in local church, emerging church, and cross-cultural settings. During this program of studies students will engage significant field ministry experiences.

Upon completion of this program, students will:

1. Demonstrate professional skill at planning, leading organization, delegating (PLOD) and supervision of the ministries of a church in local and cross-cultural settings.
2. Conduct ministry events in teaching, preaching, discipleship, and special day events that develop persons to grow in relationship to Christ.
3. Plan and develop new ministry models that will make the best use of human, physical and financial resources of the church in fulfilling the Great Commission.
4. Recruit, train and supervise workers in the local church and para-church ministries that have an outward, evangelistic focus, while preparing others for their respective ministries and “equip the saints to do the work of the ministry.”
