

Undergraduate Academic Scholarship Application

Revised: 3/1/12

Undergraduate Academic Scholarship Application Information and Eligibility Requirements:

1. There are different levels of Academic Scholarships with different eligibility requirements and amounts. See each individual scholarship below for more information. For complete eligibility requirements, please see the Financial Aid Handbook.
2. Academic Scholarships are awarded based on a point system. Students can receive points for GPA and ACT/SAT scores.
3. In order to qualify for an academic scholarship, a student must have a minimum ACT score of 21 or SAT score of 1470.
4. Students must enroll full-time to be eligible for an Academic Scholarship.
5. Undergraduate Academic Scholarships are renewable each semester for the same amount if the student maintains minimum cumulative GPA requirements and continues to enroll full-time.
6. Academic scholarships are awarded differently for first time and transfer students. The amount of transfer hours affects whether high school or college GPA is used and whether ACT/SAT test scores are required. Students that transfer in 30+ hours from an accredited university can qualify for a scholarship based solely on previous college cumulative GPA.
