## Statement of Purpose

Southwestern Assemblies of God University is a Bible-based institution for theological and professional studies. It is rooted in the great commission of Jesus to “Go into all the world and preach the good news to all creation” and to “make disciples of all nations . . . teaching them to obey everything I have commanded you” (Mark 16:15a; Matthew 28:19, 20), which is the primary emphasis of Southwestern’s parent body, the General Council of the Assemblies of God.

The purpose of Southwestern Assemblies of God University is to prepare undergraduate and graduate students spiritually, academically, professionally, and cross culturally so as to successfully fill evangelistic, missionary and church ministry roles and to provide quality educational and professional Christian service wherever needed throughout the world.

---

## Statement of Faith

Southwestern embraces and supports the doctrinal teaching of the General Council of the Assemblies of God as set forth in Article V, Statement of Fundamental Truths, of its Constitution. The following statements summarize these doctrines.

### We Believe

- The Bible is the inspired and only infallible and authoritative written Word of God (2 Timothy 3:16).
- There is one God, eternally existent in three persons: God the Father, God the Son, and God the Holy Spirit (Deuteronomy 6:4; Matthew 28:19).
- In the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death, in His bodily resurrection, in His ascension to the right hand of the Father, in His personal future return to this earth in power and glory to rule a thousand years (John 1:1).
- In the blessed hope — the rapture of the Church at Christ’s coming (Titus 2:13).
- The only means of being cleansed from sin is through repentance and faith in the precious blood of Christ (John 1:12).
- Regeneration by the Holy Spirit is absolutely essential for personal salvation (Titus 3:5).
- In water baptism by immersion (Matthew 28:19).
- The redemptive work of Christ on the cross provides healing of the human body in answer to believing prayer (1 Peter 2:24).
- The baptism in the Holy Spirit, according to Acts 2:4, is given to believers who ask for it.
- In the sanctifying power of the Holy Spirit by whose indwelling the Christian is enabled to live a holy life (Galatians 5:16-25).
- In the resurrection of both the saved and the lost, the one to everlasting life and the other to everlasting damnation (Revelation 20:11-15).
Statement of Core Values

Bible-based Education
God is the ultimate source of all knowledge and truth and has revealed Himself in Scripture; therefore, SAGU is committed to the authority of the Bible and the integration of biblical values in all academic disciplines. The pursuit of truth and its application in every area of life comes through understanding the Word of God and knowing Christ. The university intends that students will deepen their understanding of Scripture and develop well-grounded theological convictions for a life of Christian service through a carefully selected 24 hour core of Bible and theology curriculum.

Academic Excellence
SAGU is a university devoted, under God, to the pursuit of truth through the use of the mind. Students, therefore, are encouraged to bring their minds in submission to Christ and fulfill their responsibilities as stewards, and work for the integration of thinking and learning in the framework of a Christian worldview. Students are encouraged to develop their minds and intellects in the pursuit of knowing Christ and his creation, and seeking God’s direction as they choose a vocation or career path.

Spiritual Formation
SAGU is committed to fostering spiritual formation among students that produces life-long spiritual growth and character development. Students are encouraged to develop their understanding of biblical faith, increase their desire to know and serve God, and develop personal integrity and character by applying biblical values to their lives. Chapel and local church participation is emphasized because worship is an important element in the university’s strategy for spiritual formation.

Missions-mindedness
SAGU is founded on the belief that every believer has a personal responsibility for the Great Commission. SAGU intends that students will embrace mission-mindedness as evidenced by life-long personal involvement in world evangelism, a life of intercessory prayer for the lost, personal witness, contributing resources to world evangelism, and a willingness to go into full-time missionary work (if called by God) or, at a minimum, participate in a short-term mission trip.

Pentecostal Distinction
SAGU is committed to an environment that encourages students to experience Spirit baptism according to Pentecostal theology to obtain additional power for witness, personal edification through speaking in tongues in private prayer, and additional enablement through spiritual gifts, while continually pursuing spiritual formation and a Spirit-formed character. The university also encourages the operation of the gifts of the Spirit in worship services according to the scriptural directive.

Servant Leadership and Ministry
SAGU’s mission is founded on the belief that God intends every believer be actively involved in ministry that reflects service and servanthood. Fulfilling the mission of the church requires all believers, no matter their chosen career and calling, to work in team-like fashion using their unique gifts and talents in churches and ministries around the world as pastors, board members, elders, deacons, and heads of creative ministries in the pattern of the servant ministry of Jesus Christ.

Community and Personal Wellness
SAGU is committed to the understanding that discipleship occurs in community and in relationship, therefore students are encouraged to develop the social and relational skills needed to contribute to an affirming, loving, and giving community of believers. Additionally students are encouraged toward emotional and physical health for the purpose of enabling long, faithful service unto God. Eating properly, sleeping adequately, exercising regularly, and sufficient rest properly honors God through the body.

Objectives
Upon graduation students should be able to:

1. Demonstrate spiritual maturity with a priority of using their preparation at Southwestern as a foundation for further spiritual development and experiences.
2. Demonstrate competence in the area of academia. Therefore, all of Southwestern’s resources, both physically and financially, are designated toward providing the students with educational studies on the undergraduate and graduate levels that will appropriately qualify them for their selected vocations.
3. Matriculate into Christian service both nationally and internationally in ministerial and professional roles.
4. Adjust politically, culturally, and spiritually to a global society by means of courses related to cross-cultural diversity, contemporary world issues, workshops, and other events supporting societal awareness and application.

University Standards
Southwestern Assemblies of God University embraces standards of conduct that are the same as those generally accepted by the Assemblies of God in America. These are characterized by clean behavior and conversation, modest apparel, high moral standards, commitment to excellence in educational and professional development, and deep consecration and devotion in spiritual life.

High Christian standards relate to all facets of university life. Though they are reflected in the spiritual development of the student, they do not end there. Christian citizenship is a Biblical obligation. Christian ethics extend into the intellectual development of an individual, and Christian morality regulates social relationships. Accordingly, the Christian will assume responsibilities in the educational community with cheerfulness and friendliness. Relationships at
Southwestern must reflect moral purity and distaste for promiscuity. High standards are imposed in the area of physical development. This results in habits and diets that contribute to good health and physical well-being.

The same Christian standards apply to faculty, staff, and students. General student conduct standards are explained in the Student Handbook. The Student Conduct Committee embraces the responsibility of maintaining the high Christian standards of the student community. The committee may require a student who does not embrace the aims and ideals of the University to withdraw if the general welfare of the University demands it.

History

Three Bible schools joined together to form Southwestern Bible Institute. The first, known as Southwestern Bible School, was established at Enid, Oklahoma, in 1927 under the leadership of the Reverend P. C. Nelson. The second, Shield of Faith Bible School, was founded in Amarillo, Texas, in 1931 under the direction of the Reverend Guy Shields. It included not only a Bible school, but also a grade school and high school. The third, which was operated as Southern Bible Institute in connection with the Richey Evangelistic Temple, began at Goose Creek, Texas, in 1931. It was started by Reverend J. T. Little in Trinity Tabernacle and later moved to Houston in 1932.

The Bible school division of Shield of Faith was moved to Fort Worth in 1935. The high school division was transferred the following year. In 1940, a merger resulted in Southern Bible Institute moving to Fort Worth. The combined school, operating as South Central Bible Institute, came under the ownership and direction of the Texas District Council of the Assemblies of God.

The school in Enid merged with South Central in 1941, at which time the name was changed to Southwestern Bible Institute. In 1943, the institute was moved to its present facilities in Waxahachie, Texas.

During the 1944-45 term, a junior college curriculum was added to the school's program. The Junior College Division soon accounted for about half of the enrollment in the College.

Southwestern Bible Institute became a regional school in 1954. At that time seven districts of the Assemblies of God—Arkansas, Louisiana, New Mexico, North Texas, Oklahoma, South Texas and West Texas—owned and operated the school. The Mississippi District was added to the region in 1979.

The proposal to change the name of Southwestern was ratified by all seven Districts, and the name became Southwestern Assemblies of God College. In 1963, the upper two years of the College were renamed Southwestern College of the Bible. In 1968, the separation of the divisions of the college was made more complete, and the Junior College was designated Southwestern Junior College of the Assemblies of God. In 1984 the School of Distance Education was established. In 1987 the Junior College and Bible College divisions were reunited. In December 1994, the Board of Regents unanimously approved the name change to Southwestern Assemblies of God University. In the same meeting the Board authorized the development of the Thomas F. Harrison School of Graduate Studies providing master's degree programs.

The vision for a higher level of education was born under the administration of President Dr. Delmer Guynes. In the summer of 1996, Southwestern Assemblies of God University opened its Graduate School. Dr. H. Glynn Hall was appointed as the first Dean of Graduate Studies at SAGU. With conditional accreditation from the Southern Association of Colleges and Schools (SACS), and two master's degrees available—Practical Theology and Education—the graduate school offered its first program in the fall of 1996. The master's degree in Counseling Psychology and Graduate Distance Education courses were still in development when the first twenty-three students registered that fall.

Within a year, the graduate school was named the Thomas F. Harrison School of Graduate Studies (HSGS), as the beneficiary of the estate of the late Dr.'s Thomas F. and Louise K. Harrison. Within two years, the Thomas F. Harrison School of Graduate Studies received accreditation from SACS. By the year 2000, HSGS reached an enrollment of 114. The foundation established under the leadership of Dr. Hall provided for the continuity of the growth rate of HSGS, as well as the expansion of academic programs.

In the year 2000, Dr. Hall relinquished his position as Dean of Graduate Studies. Dr. Robert N. Harden was appointed to carry the vision of growth for the graduate school. That vision includes the addition of diverse programs of study, doctoral degree programs, higher enrollment, and physical plant development. HSGS now offers master's degrees through various formats to put higher education within reach of students: evening/weekend classes, distance courses, and specialized seminars.

Campus and Facilities

Southwestern is located in the heart of the rich blacklands of North Texas in Waxahachie, the county seat of Ellis County (population circa 25,000). This unique city provides an excellent setting for a university outside of the big-city congestion, yet it affords the benefits of the Greater Dallas-Fort Worth Metroplex. The university occupies 70 acres providing ample area for its present facilities and future growth.

Barnes Student Center

The James L. Barnes Student Center serves as a central social gathering place for students. The facility is home for the administrative offices of Student Services, Student Congress, and Career Services. It also includes a game room, snack bar, Starbucks, lounge, study areas, and student mail boxes.

Bridges Hall

The James K. Bridges Hall houses over 200 students and incorporates the Student Counseling Department.

Claxton Athletic Center

The physical education program utilizes the Virgil Claxton Athletic Center as well as other facilities on the campus. Outdoor volleyball accommodations are also available.
Also located in the library is the university’s Achievement Center, offering tutorial and instructional assistance to both undergraduate and graduate students.

**Sheaffer Full Life Center**
The Sheaffer Full Life Center is a 111,000 square foot facility which serves as a center for everyday student activities and special events. It houses a chapel with a 2,500 seat capacity, a 1,000 seat dining commons and food court serving students and guests daily during the academic year, an athletic center with two regulation basketball courts, racquetball courts, weights and training rooms, locker rooms, and spectator seating for sporting events. Additionally, the Full Life Center houses classrooms, faculty offices, and the offices for the Graduate School, Admissions, Student Ministries and the University Chaplain. It also contains the Hugh P. Jeter World Prayer Center.

**Sycamore Place**
Sycamore Place is located across the street from the Administration Building. It houses the Founders Bookstore and the Assemblies of God Credit Union. The School of Distance Education makes its home here, as well as a University Testing Center.

**Teeter Hall**
The Darrel and Huberta Teeter Hall is a home away from home for students and incorporates the offices of the Dean of Students, the school nurse, Student Activities, and Student Housing.

**University Housing**
Southwestern is a residential university. However, graduate students are not required to live on campus. Affordable apartments are available on campus for graduate students on a first-come basis. Contact the Business Office for information.
student services
Student Services

Attendance at Southwestern is designed as a life enriching experience. Graduate students are encouraged to participate in the spiritual and social activities provided through Student Services.

**Spiritual Life**

Activities are promoted which contribute to the spiritual development of students. An important part of this program is the daily chapel period shared by the entire university community. Students are challenged by the administration, faculty, visiting guest speakers, and fellow students. Graduate students are welcomed to participate and encouraged to join the entire campus body in these chapel services.

Emphasis is also placed on personal devotions. Spiritual life on campus is encouraged through several organizations and ministry groups.

**Global Prayer Focus**

SAGU serves as a Global Prayer Center representing the desire and focus of the districts of the Southwestern region to put SAGU at the center of a worldwide prayer movement. The Hugh P. Jeter World Prayer Center is open daily to inspire intercessory prayer for all regions of the world as well as personal needs. A branch of the Assemblies of God National Prayer Center functions within the Hugh Jeter Prayer Center. Student volunteers answer calls from across the nation, offering prayer and salvation to those in need of hope. The Road to Emmaus Prayer Walk features a paved walk of 1/3 mile. Administrators, faculty, staff, and students use the walk daily for prayer and exercise.

**Student Ministries**

Southwestern's primary objective is the training of individuals to enter worldwide Christian service. In keeping with this objective, Student Ministries compliments academic training with essential practical training in Christian service. Therefore, all students are expected to be faithful in church attendance and are strongly encouraged to participate in local church ministries. Christian service should characterize every student's life.

**Personal Life**

Southwestern maintains concern about the personal life of its students. All students are expected to conduct themselves at all times in accordance with the teachings of the Word of God, the accepted standards of the Assemblies of God, and the standards of conduct held by SAGU. Southwesterners must realize the importance of exemplifying Christian living both on and off-campus.

With those from various backgrounds, it is necessary that each student becomes acquainted with SAGU's standard of conduct and dress. The University states its intentions of making Biblical principles its primary basis for conduct as referred to in the Assemblies of God By-Laws, Article IX, Section 6, as follows:

In view of the alarming erosion of national moral standards, we reaffirm our intention of holding up Bible standards against all forms of worldliness. We urge all believers "Do not love the world or anything in the world...For anything in the world—the cravings of sinful man, the lust of the eyes and the boasting of what he has and does—comes not from the Father but from the world" (1 John 2:15-17).

In its teaching regarding worldliness, the Scripture warns against participation in activity which defiles the body or corrupts the mind and spirit; the inordinate love of, or preoccupation with, pleasures, position, or possessions, which lead to their misuse; manifestation of extreme behavior, unbecoming speech, or inappropriate appearance; any fascination or association which lessens one's affection for spiritual things (Luke 21:34, 35, Romans 8:5-8, 12:1, 2; 2 Cor. 6:14-18; Ephesians 5:11; 1 Timothy 2:8-10; 4:12; James 4:4; I John 2:15-17, and Titus 2:12).

**Student Conduct Committee**

The Student Conduct Committee has the responsibility of maintaining the high Christian standards of the university. The committee seeks to identify models of excellence in Christian behavior and service on campus. It functions to remedy difficult problems but may also require a student who does not embrace the aims and ideals of the university to withdraw if the general welfare demands it.

**General Services and Policies**

**Accounts Receivable Office**

The Accounts Receivable Office serves the students of Southwestern in all their financial matters. Students are encouraged to make use of these services.

1. Statements are sent out monthly to students.
2. Limited check cashing is available for students with whom the university has had good financial experience.
   a. Check Cashing Policy: The Accounts Receivable Office will receipt any check, money order, traveler's check, or cashier's check that is properly endorsed to the student's account. Due to limited cash on hand, checks in excess of $50 cannot be cashed. During the last two weeks of school, no checks will be accepted in order to allow all checks to clear the bank.
   b. It is recommended that students who cash checks regularly open an account with AGCU or at a local bank.
   c. Any returned check must be cleared immediately with cash, cashier's check, or money order. No additional checks will be cashed if the returned check has not been cleared. If two checks are returned during a semester, no additional checks will be cashed for one year. A $30 returned check fee is charged for all returned checks. Writing an insufficient
check is a major infraction of the university rules and could subject the student to disciplinary action (see Major Infractions in Student Handbook).

3. Schedule of fees and financial counseling are available upon request.

Founders Bookstore

The campus bookstore, located at Sycamore Place, carries a complete stock of all textbooks and supplies necessary for classes. Gift items, music, personal items, stationery, jewelry, school emblem jackets, sweaters, and assorted items are also available. Textbook information and book vouchers are available online at www.sagubookstore.com.

Mail Service

All university mail is distributed by the Campus Mail Center which is located in the James L. Barnes Student Center. All students enrolled in the on-campus programs are provided mail boxes in order to receive in-school communication and mail.

Campus Security Services

Campus Security provides ID card and vehicle registration services at the Information and Security Center (ISC). Security and safety patrols occur 24 hours a day. Students may request an escort from anywhere on campus, especially during hours of darkness. Reports of theft, vandalism or other criminal or questionable activity should be filed at the ISC.

Career Services

Southwestern’s Career Services Office, located in the Barnes Student Center, provides assistance to the students and alumni in developing, evaluating, and/or implementing career, education, and employment decisions and plans. A variety of services are available to all majors and professional interests. Job Fairs and Career Days are organized to give students exposure to professionals who are looking for employees. Career Services offers a computerized career assessment, identifying personality, interests, skills and values. Assistance is available for resume writing. Internship opportunities are available for students after they have completed their first year of college. Planned seminars address needs relating to career development.

Student Counseling Services

Employment for Students

Many students seek outside employment to finance at least part of their expenses. Part-time jobs are available in the vicinity of the university and at local businesses, such as private homes, stores, shops, daycare facilities, and offices. Full and part-time employment is available in nearby Dallas and Fort Worth for students whose financial responsibilities are heavy. The Career Services Office offers assistance to students needing employment.

Health Services

The health care needs of Southwestern Assemblies of God University are coordinated through the Residential Life Office.

Campus Nurse: Student applications at the university are surveyed by the Campus Nurse to determine health care needs that should be brought to the attention of food service personnel, directors of athletic activities, faculty, staff and/or administrators. A professional nurse services the health needs of the student body. The Campus Nurse maintains contact with a local physician. Students are referred to other qualified health care personnel for medical consultation, diagnosis, and/or treatment as necessary.

The Campus Nurse maintains daily office hours which are posted on the Health Services Office door and will be available on-call through the Residential Life Office. The Health Services Office is located in Teeter Hall.

The Campus Nurse is also available for consultation to all students living off-campus, faculty, staff and administration.

Insurance: Southwestern Assemblies of God University requires medical clearance and accident insurance coverage for each student admitted. Participation in the student accident insurance program of the university is required. Accident insurance coverage purchased in the university program applies only to the semester for which the student has paid. During the summer, accident insurance will be provided by the school for students engaging in SAGU-sponsored ministry or athletic tours. It should be understood that SAGU does NOT provide a health or medical insurance program for students.

Our student accident policy is a secondary policy for varsity athletics. All varsity athletes are required to provide their own primary medical coverage to meet minimum requirements as set by SAGU. Proof of primary insurance will be required before an athlete may participate in varsity athletics.
HEW Regulations

HEW Regulation 84.21 . . . “No qualified handicapped person shall, because a recipient’s facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity provided by the university.”

For further information on the HEW Handicapped regulations, contact the Office of Student Services.

Student Rights with Regard to Education Records

In compliance with Public Law 93-380, Family Educational Rights and Privacy Act of 1974, you are hereby informed of your rights with regard to education records made at Southwestern Assemblies of God University.

• Other school officials and faculty who have legitimate educational interests have access to the records. Officials of other schools in which the student seeks to enroll will have access to these records upon the consent of the student.
• Also having access are authorized representatives of the Comptroller General of the United States, the Secretary, the Commissioner, and the Director of the National Institute of Education. In connection with a student’s application for receipt of financial aid, access is granted to state and local officials or authorities to which such information is specifically required to be reported or disclosed pursuant to state statute adopted prior to November 19, 1974 (nothing in the paragraph shall prevent a state from further limiting the number or type of state or local officials who will continue to have access thereunder).
• Access is granted to organizations conducting studies for, or on behalf of, educational agencies or institutions for the purpose of developing, validating, or administering predictive tests, administering student aid programs, and improving instruction, if such studies are conducted in such a manner as will not permit the personal identification of students and their parents by persons other than representatives of such organizations and such information will be destroyed when no longer needed for the purpose for which it is conducted.
• Accrediting organizations will have access rights in order to carry out accrediting functions.
• Records may be viewed in compliance with judicial order or pursuant to any lawfully issued subpoena, upon condition that parents and the students are notified of all such orders or subpoenas in advance of the compliance there with by the educational institution.
• Student records will be updated each semester enrolled and course work with grades and copies of information contained in the file may be obtained. Also, if the information contained in the file is determined to be incorrect, the right to a hearing to change, delete, or write explanations regarding the information in question will be granted. Should a file contain information on another student, only that information pertaining to the inquiring party will be provided.
• The student has the right to waive the option of reviewing recommendations for admission. The student opting to waive the right of inspection may sign the form “Student Waiver of Rights” provided in the Registrar’s Office or sign the “Waiver of Rights” provided on the front of the recommendation forms used for admissions purposes. The student is not required to waive the right of inspection and would in no case be refused admission, or any of the services offered by Southwestern Assemblies of God University, because of failure to sign the waiver.
• The student has the right to challenge the content of his/her education records. To do this, the student should request the form “Request for Education Correction” from the Registrar’s Office. After completing the form, it should be presented to the Registrar, and in the event the request is not approved, a date of hearing will be set. The student may be present during the hearing and will be notified on the day of the hearing of the action taken. A scheduled fee is charged for a copy of a transcript and $1 for anything else in the file.
• At the beginning of each semester during registration, opportunity will be given to withhold personal “Directory Information” from the public. Pursuant to the Family Educational Rights and Privacy Act of 1974, “Directory Information” includes a student’s name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent educational agency or institution attended. If one does not want the “Directory Information” made public, he needs only to sign the form, “Notice to Withhold Directory Information,” that is available in the Registrar’s Office.

Questions regarding the rights provided by Public Law 93-380, Family Educational Rights and Privacy Act of 1974, should be directed to the Registrar’s Office.

Athletics and Intramural Program

The purpose of athletics at Southwestern is to promote and develop good physical health practices, as well as to offer an opportunity for the student to coordinate physical effort, self-discipline, and Christian testimony in the arena of sports. Team cooperation and the development of a sense of fair play are important components of this program.

Varsity sports include women’s basketball, women’s soccer, women’s volleyball, cheerleading, men’s baseball, men’s basketball, football, and men’s soccer. In cooperation with the Equity in Athletics Disclosure Act (1994), SAGU publishes an annual report on its intercollegiate varsity athletic programs. This report is available in the office of the Athletic Director.

Southwestern also has an aggressive intramural program. This program is open to the entire campus (administration, faculty, staff, and students). A wide variety of activities are involved (athletic activities, non-athletic activities, social and service activities).

Our student accident policy is a secondary policy for varsity athletics. All varsity athletes are required to provide their own primary medical coverage to meet minimum requirements as set by SAGU. Proof of primary insurance will be required before an athlete may participate in varsity athletics.

Determining Percentage and Amounts of Aid Earned and Unearned (up to 60% of semester)
The number of calendar days comprising the semester is divided by the number of calendar days
completed as of the day the student withdrew to calculate the percentage earned. The total Title
IV federal aid is multiplied by this percentage to determine the amount of grant and loan assist-
tance earned. The amount of grant and loan awarded that has not been earned by the student is
calculated by determining the complement percentage of grant or loan assistance that has been
earned by the student, and applying the percentage determined to the total amount of grant and
loan assistance that was disbursed (or could have been disbursed) to the student for the period of
enrollment, as of the day the student withdrew. If the student has received more grant or loan
assistance than the amount earned, the unearned funds shall be returned by SAGU or the stu-
dent, or both as required. If the student has received less grant and loan assistance than the
amount earned, SAGU shall comply with the procedures for late disbursement specified by law.

Responsibility of SAGU
SAGU will return the lesser of the amount of grant and loan assistance that has been earned, or
amount equal to the total institutional charges incurred by the student for the semester of enroll-
ment for which assistance was awarded; and multiplied by the percentage of grant and loan assis-
tance that has not been earned by the student.

Responsibility of Student
If the student received grant or loan assistance above the institutional charges, the student must
return the unearned amount as follows: loans according to the terms of the loan program; and
50% of federal grants.

Order of Return of Title IV Federal Funds
Unsubsidized Federal Stafford Loan
Subsidized Federal Stafford Loan
Federal Perkins Loan
Federal Parent Loan
Federal Pell Grant
Federal Supplemental Educational Opportunity Grant (FSEOG)
Other Title IV Federal Funds
financial aid policies

The following policies and funds are specific to the graduate student. Please see the Undergraduate Academic Catalog for policies and funds related to the Undergraduate students. For further information please contact the Financial Aid office or refer to www.sagu.edu/financialaid/.

Application Dates
Applications for financial assistance are available after January 1 of each year for the following academic year (August - May). The Free Application for Federal Student Aid (FAFSA) can be submitted on-line at www.fafsa.edu.gov and should be completed by March 1. Priority is given to students whose FAFSA’s are submitted by March 1 and whose files are accurate and complete by April 15. To have funds ready at registration, the following deadlines are suggested: Apply by May 1 and have a complete and accurate file by July 1. Students planning to attend summer school need a FAFSA filed for the academic year preceding the summer session.

Late Applicants
Students not meeting the above-stated deadlines are considered late applicants. These students should come to registration prepared to pay the initial down payment and applicable service charges while waiting for aid to be processed. After registration, the Financial Aid Office must change focus from processing Financial Aid Applications to disbursing aid for enrolled students. Late applications are processed on a rolling basis as time and volume permit.

Satisfactory Academic Progress Policy
Graduate students must make satisfactory academic progress in their program of study to be eligible for financial aid. Students in the graduate program must maintain a cumulative grade point average of 3.0. The entire program must be completed within six years of initial enrollment and 54 hours attempted. Students are also required to complete 70% of all coursework attempted, both transfer credits and credits taken at SAGU. The maximum timeframe allowed may not exceed 150% of the published length of the program in order to remain eligible for Financial Aid. Grades of D, F, W, I or WF are not counted as successful completion.

Institutional Grants and Scholarships
Southwestern provides various institutional grants and scholarships, including academic scholarships and Ordained Minister’s grants to graduate students. Please refer to the Financial Aid Handbook for details regarding those grants and scholarships.

Donor Scholarships
Several Donor Scholarships are awarded annually. Applications are available in the Financial Aid Office. The Application deadline is February 15. Scholarship presentations are made at the annual Awards Chapel for the next academic year. Applicants must also file the FAFSA to determine need. Recipients for most Donor Scholarships are selected by the Financial Aid Committee, which is comprised of faculty and staff chosen from the different areas of the university.

George and Jessie Kappaz Scholarship: This scholarship is provided by an endowment from Mr. and Mrs. Kappaz. Applicants must be graduate students enrolled in at least six hours and have a grade point average of 3.75.

Dr. Thomas F. and Louise K. Harrison Scholarship: This scholarship is made possible by an endowment provided by Dr. and Mrs. Thomas F. Harrison, who dedicated many years of their lives as professors at Southwestern. A scholarship is awarded annually to a Church Ministries major.

Jeter Missions Scholarship: This scholarship is provided by an endowment from family and friends of Hugh P. Jeter. The Jeter Missions Scholarship is awarded to a Church Ministries Major with a Cross-Cultural Missions Specialization or a Theological Studies Major with a Missions Specialization. Students must have financial need and a cumulative grade point average of 2.0 for Undergraduate students and 3.0 for Graduate students. Applications are open to all classifications and degree programs (On Campus, Distance Education and Graduate school).

Federal/State Assistance Programs

Work Study: Federal and State work-study programs provide part-time employment opportunities of five to twenty hours per week. The student must be enrolled at least six hours and show need as determined by the Free Application for Federal Student Aid (FAFSA).

Tuition Equalization Grant (TEG): This program is for Texas residents only. To be eligible a student must enroll full-time, show financial need, hold no athletic scholarships, and not be enrolled in a theological or religious degree program. The TEG grant is based on the difference between state tuition and tuition at SAGU, student need, and available funds. Priority is given to full-time students. The FAFSA must be filed to determine eligibility.

LEAP (formerly SSIG) Grant: The LEAP is a matching grant to the TEG with the same eligibility requirements.

Loans

Federal Stafford Loans.
Graduate students who are enrolled at least half time may be eligible for a Federal Subsidized Stafford Loan or a Federal Unsubsidized Stafford Loan. Students must file a Free Application for Federal Student Aid (FAFSA), and an SAGU Financial Aid Application. The Initial annual Stafford Loan limit is $8,500. Application must be made each academic year by the appropriate deadline.

Preparatory Coursework
Students may receive Stafford Loans for a maximum of one academic year while enrolled in prerequisite courses required for acceptance into the graduate program. The undergraduate limit of $5,500 applies. Verification that the courses taken are prerequisites is required.

Loan Entrance Counseling
New borrowers must attend a Loan Orientation before the first graduate loan is disbursed. Group Loan Orientation is provided at each registration.
**Loan Exit Interview**
Any student who receives a loan while attending Southwestern MUST complete an exit interview. Academic transcripts will be held until this requirement is met.

**Financial Aid Warning Status**
The first time the student fails to meet one or more of the satisfactory academic progress requirements, he or she will be placed on Financial Aid Warning status. A student may receive aid while on warning status for one semester.

**Financial Aid Suspension**
The second time a student fails to meet one or more requirements, he/she will no longer be making satisfactory progress and will be ineligible for financial aid until the requirements are met. Any student suspended from receipt of financial aid for failure to maintain satisfactory progress must meet the stated cumulative grade point average and completion rate in order to be reinstated on financial aid. A student who wishes to appeal a suspension status due to extenuating circumstances (i.e. medical reasons, death in the family, etc.) must submit a written appeal letter to the Director of Financial Aid. The Financial Aid Committee reviews these appeals.

Graduate students must be making satisfactory academic progress (SAP) in their program of study to be eligible for financial aid. SAP calculations will take place once annually, at the end of each Summer II semester. The entire previous year's academic history (Fall, Spring, Summer I & II) will be factored into these calculations. SAP calculation, for students placed on Financial Aid Probation after a previous semester, will take place again after the next semester of enrollment at SAGU. SAP calculations for students for whom an appeal for financial aid suspension was granted may be calculated at the end of each semester.

Any student withdrawing from school, either through official notification or administrative withdrawal, will be placed on Financial Aid Probation immediately.

**Financial Aid Suspension Appeal Process**
Students on Financial Aid Suspension have the right to submit a written appeal to the Financial Aid Office. Students must submit the complete appeal within 7 business days of their receipt of notification of Financial Aid Suspension. The Financial Aid Committee then reviews all complete appeals. The submission of an appeal does not guarantee that the appeal will be granted. Furthermore, the appeal should include documentation substantiating any and all mitigating circumstances that contributed to a student's failure to meet Satisfactory Academic Progress standards. Additionally, each appeal must be submitted with a letter of endorsement from an SAGU faculty/staff member. This letter should make mention of the endorser's knowledge of the student's extenuating circumstances as well as the endorser's recommendation that an appeal be granted. All appeals will be reviewed within 7 business days of the Financial Aid Office's receipt of a complete appeal (student appeal letter, endorser letter and supporting documentation). SAP for students approved for an appeal will be calculated after each semester of enrollment. Students must meet the minimum SAP standards in order to receive aid in a subsequent semester.

All applicants admitted for studies at Southwestern must evidence a born again spiritual experience as defined by the following passages of Scripture: John 3:3; Ephesians 2:8-9; Titus 2:11; 3:5-7; and I John 1:7-10. A minister's recommendation is required (not required for licensed or ordained ministers with the Assemblies of God or other recognized denominations).

It is the purpose of the university to establish in students high standards of Christian conduct and to encourage them to maintain high standards of conduct. Applicants who are engaging in conduct that is generally regarded as less than exemplary will be denied admission.

Entering Student
Acceptance into the Harrison School of Graduate Studies requires a student to:

7. Realize that some programs may have additional admissions stipulations. Please refer to the academic program of your choice for further details.

All materials submitted during the admissions process become property of Southwestern.

Early Admission Program
Southwestern allows an exception to the previously stated admission requirement by offering only to its seniors the opportunity to enroll early in a graduate course. However, permission to enroll in a graduate course is not recognized as admission into the graduate program.

1. Eligibility for early enrollment in a graduate course is limited to Southwestern's seniors who have a minimum cumulative grade point average (GPA) of 2.75.
2. The student must receive authorization from his/her academic advisor for early enrollment into a graduate course.
3. The student is allowed to enroll in no more than three hours of graduate studies per semester for a total of six hours.
4. Where applicable, graduate courses, according to the above guidelines, may be used as electives to meet requirements of an undergraduate degree program. Graduate studies counted toward a baccalaureate degree may not count toward a higher degree.

College Transfers
Transfer students will observe the same application process as other students. An official transcript from each college attended must be sent directly from each college to the Registrar's Office. Any student transferring from an Assemblies of God (or related college) must submit a transfer clearance form.

Transfer students are expected to be in good standing and eligible to re-enroll in the last school attended.

Transfer of Credit
A maximum of 25% of credit hours that have been earned at other regionally or professionally accredited colleges or universities with a grade of “B” or above may be transferred to Southwestern. Courses completed with a grade of “C” or below will not be accepted in transfer. Only courses counting toward a student’s degree requirements will be used in calculating transfer grade point average and classification.

Once enrolled in the graduate program, the student must gain approval from the Dean of the School of Graduate Studies or the Vice President for Academics before taking a graduate course at another University.

Graduate Chairs
Students attending a Christian University benefit from close relationships with the faculty. At Southwestern, instructors take personal interest in the spiritual, educational, social, and professional welfare of all students. Students are encouraged to work closely with the Graduate Chair who oversees their academic program.

Graduate Distance Education
Southwestern offers online graduate programs and courses to students who cannot relocate to Waxahachie or interrupt their current vocational involvement to assume on campus studies. Contact the Graduate Enrollment Counselor for information on program and course offerings.

The same academically and spiritually qualified faculty who teach on-campus graduate courses generally teach Graduate Distance Education (GDE) courses. SAGU also makes all of its educational resources and student services available to every distance education student.

Students enrolling for graduate distance education will attend a required first semester orientation which will introduce them to the distance education processes at SAGU and provide appropriate academic and financial counseling. During the orientation, students will complete the initial semester registration process. Following this, students will return home to complete online courses via the internet.
Each semester thereafter, distance education students will complete online pre-registration and registration without the need to travel to campus each semester.

For any further academic counseling, students should contact the office of the School of Graduate Studies.

For questions on the distance education process, orientation, or general information please contact the Graduate Enrollment Counselor.

Further information and course schedules are available on the SAGU web site (www.sagu.edu/graduate).

A fee is charged for registration after the official registration day and time. See the applicable dates on the academic calendar and fee schedule.

The Unit of Credit or Semester Hour

Student Load

A full-time graduate student is one who enrolls in nine or more hours of graduate instruction per week. Students desiring to exceed the regular load must secure special permission from the Dean of the School of Graduate Studies.

### Incomplete Work

1. The grade of “I” (incomplete) is an exceptional grade given only to students who have satisfactorily completed 50% of the course assignments/requirements, but who, for reasons beyond their control, have been unable to complete all course requirements. The granting of an “I” occurs only when mutually agreed upon by student and instructor.

2. Procedures
   a. The student must apply to the instructor for an “I” by a specified date on the academic calendar.
   b. The student is responsible for obtaining the remaining requirements of the course from the instructor.
   c. If the work is completed within sixty (60) days from the last day of the semester, or within a shorter time frame specified by the professor, the “I” will be changed to the earned grade. No academic work may be submitted after the conclusion of the sixty (60) day period.
   d. If the instructor does not submit a change of grade, the “I” will become the terminal grade.
   e. The grade of “I” will appear on the permanent record of the student but will not be used in the determination of the cumulative grade point average. It does, however, count in the determination of satisfactory academic progress.

### Examinations

1. Instructors of on-campus courses give regular examinations during class hours within the semester. In order for a student to make up an announced test, approval must first be secured from the instructor.

2. Exams in Distance Education are administered in various manners. Students will take open and closed book online exams depending on the specifications provided by the instructor. Students are expected to comply with exam procedures outlined in the course syllabus. Any deviation from established guidelines will be investigated with great concern.

### Academic Policies

#### Student Participation in Promotion of University Excellence

Southwestern Assemblies of God University engages in an ongoing program assessing the effectiveness of its education programs and services. This process, under the direction of the Institutional Effectiveness Office, involves the participation of students in nationally recognized tests and surveys as well as tests and surveys developed within the University. Information from these sources is used to assist in evaluating and improving the effectiveness of its educational programs and services, and to make informed strategic planning decisions.

Although the type and frequency of assessment instruments will vary according to the needs of the University, SAGU expects each student to engage the following events periodically:

- Student Satisfaction Inventory
- National Survey of Student Engagement
- Collegiate Assessment of Academic Proficiency
- Graduating Student Survey
- Career Services Exit Questionnaire
- Residence Hall Survey
- Others as needed

### Academic Records

Student records are housed in the Registrar’s Office. Grade reports are available on-line at the conclusion of each semester. Transcripts may be requested in writing for a fee. In order for a transcript to be released, it is required that the student be clear of all financial obligations to the University and be current on all student loans. If a student wishes to petition a grade it must be done in writing to the Registrar’s office.

---

### Classification of Students

Classification of students is determined at the beginning of each semester. Classification will be determined as follows:

- Full-time Student: A student who is carrying at least 9 semester hours.
- Part-time Student: A student who is carrying less than 9 semester hours.
- Special Student: A student who is not pursuing a degree.

### Grading System

Grade point averages are computed using only the following grades and grade points for each semester hour attempted:

Academic Dishonesty

Students are expected to be honest in fulfilling all academic requirements and assignments. This pertains to examinations, writing assignments, book critiques, reading reports, and all other assignments. A student will not be allowed to withdraw from a course if he/she is under investigation for academic dishonesty. In the event that the student is determined guilty of academic dishonesty, then the student will not be allowed to withdraw from the course and will receive the grade determined by the faculty member, either an “F” for the assignment and/or an “F” for the course. Dishonesty could possibly result in further disciplinary action. Refer to Biblical Standards in the Student Handbook.

Academic Probation and Suspension

A satisfactory level of academic achievement is determined on the basis of a student’s cumulative grade point average calculated on the basis of all graduate work attempted. To be eligible for continued enrollment in good standing, a student must maintain a minimum cumulative grade point average as follows:

- During the first nine semester hours attempted, the student must achieve a cumulative grade point average of not less than 2.75.
- For ten or more semester hours attempted, the student must maintain a cumulative grade point average of not less than 3.00.

Should any student fail to maintain satisfactory progress toward graduation as specified by these regulations, the student will be placed on Academic Probation and will be required to follow the guidelines below. (The time frame of an academic suspension relates specifically to the fall and spring semesters. A student suspended at the end of the Spring semester would not be allowed to enroll in the following Summer and Fall semester.)

1. A student on academic probation will not be allowed to enroll in more than nine hours.
2. A student on academic probation for two consecutive semesters will be suspended for the following semester regardless if the semester is spring, summer, or fall.
3. A student on academic suspension may appeal to the Dean of the Graduate school for re-admission on probationary status. If the appeal is granted, the student will not be allowed to enroll in more than nine hours. The student must also repeat the course at SAGU in which a low grade was earned in order to receive the degree. Only two courses may be repeated in the graduate program.
4. A student will continue on academic probation until the cumulative grade point average meets the prescribed standards of the university; however, a student on academic suspension who fails to earn a semester grade point average of 3.00 or better will be automatically suspended for the following semester with the suspension enforced.
5. A student academically suspended for a second time will not be allowed to re-enroll. In such instances the student cannot appeal the suspension.

Course Repetition

Any course taken in residence at Southwestern or at any accredited or approved institution may be repeated in residence at Southwestern in order to improve the student’s grade for that course.

The student must apply to the Registrar’s Office for application to retake the course. Only the final grade and grade points will be counted in the student’s grade point average. However, the original grade remains part of the permanent record. A course taken at Southwestern MUST be repeated at Southwestern.

In order to maintain the minimum GPA to graduate, only six hours (two courses) may be repeated for those courses in which a grade of “C” or less were received. Regardless of the GPA, a student will not be allowed to graduate with a final grade of “D” or “F” in any course.

Class Attendance Policy

Southwestern’s on-campus academic program is designed as an in-class learning experience. In this type of instructional setting, the ability to pass examinations and complete outside projects is only a partial measure of the student’s knowledge, skills, understanding, and appreciation of the subject matter. Therefore, students are required to maintain regular and punctual class attendance.

A student who is absent from a class is totally responsible to make the appropriate advance arrangements with the faculty member for possible make up work. The faculty member will have the prerogative to determine if a student may make up any examinations or outside assignments due to a student’s absence, along with the time frame in which the work must be completed.

Withdrawal/Drop

Course Withdrawal (Drop)

Students desiring to withdraw from an on-campus course must file a change of schedule in the Registrar’s Office. Students desiring to withdraw from a distance education course must submit a drop form online. A fee is charged; consult the current Schedule of Fees.

A student will be allowed to withdraw from a course only within the first two-thirds of the semester (i.e., tenth week of the fall and spring semesters). A grade of “W” will be recorded on the student’s transcript for the class dropped. Consult the academic calendar for the last day to drop classes.

Students failing to follow the correct procedure or meet the deadline in withdrawing from a class will receive a grade as determined by the teacher.

A student who is under investigation for aca-
demic dishonesty. In the event that the student is determined guilty of academic dishonesty, then the student will not be allowed to withdraw from the course and will receive the grade determined by the teacher, either an “F” for the assignment and/or an “F” for the course.

Automatic Administrative Withdrawal (Distance Education)

Because SAGU faces a lawful responsibility and a financial aid liability with regard to “unofficial withdrawals” the following policy concerning automatic administrative withdrawal is in effect: Each instructor in a distance education course will require two progress reports (by e-mail; mail;
4. Only courses taken within six years of the graduation date will be counted toward degree requirements.
5. The student must have attained a minimum grade point average of 3.0. In order to maintain the minimum GPA to graduate, only six hours (two courses) may be repeated for those courses in which a grade of “C” or less were received. Regardless of the GPA, a student will not be allowed to graduate with a final grade of “D” or “F” in any course.
6. The student must have successfully completed the Graduate Comprehensive Examinations which are given during the final month of the student’s graduate program.
7. No credit toward a graduate degree may be earned by correspondence study.
8. Before a final transcript or diploma will be released, the student must clear with the following offices: Registrar, Accounting, Library, Financial Aid, and Career Services.
9. Requests to withdraw an application for graduation for a specific graduation date must be received by the end of late registration in that given semester. Changing one’s graduation date to a later semester will require reapplication and fee. No refund is given for fees.

The candidate is responsible for initiating the application to the Teacher Education Program. Applications are available in the Office of Teacher Certification or on the Online Forms page of the Education website at www.sagu.edu/education. All applications must be accompanied by:

1. A recent photo.
2. A statement of purpose – a one-page, typed essay describing reasons for desiring a profession in the teaching field.
3. Two recommendations from individuals who can verify moral character and child/youth related experience or other work experience. The Education Committee will not accept recommendations from relatives, SAGU faculty members, or fellow students.
4. Familiarity with the University’s Counselor, based on results of the Taylor-Johnson Temperament Analysis (TJTA). The purpose for taking the TJTA is to identify strengths possessed by the potential teacher. If the TJTA indicates areas that may need strengthening, the Teacher Education Committee may prescribe counseling which must be completed before admission to the Education program. The Counseling Office administers the TJTA, and the results are sent to the Certification Officer upon completion.

Along with the application, eligibility for the program requires the candidate to:

1. Take the THEA (formerly the TASP) and meet a minimum score of 260 in Reading, 220 in Math, and 220 in Writing. Registration bulletins for taking the THEA are available in the Teacher Education office. Internet registration is also available at www.thea.nesinc.com. Any applicant who is denied acceptance will be given a clear statement of reasons for denial. Denial of admittance, for any reason, may be appealed in writing to the Teacher Education Committee.

From time to time, the state of Texas in compliance with No Child Left Behind (NCLB) will amend its requirements for certification. While the SAGU Teacher Education Department does everything necessary to prevent major alterations to a student’s degree, it must ultimately comply with state requirements. Therefore, the Teacher Education Department reserves the right to alter...
