STATEMENT OF PURPOSE

Southwestern Assemblies of God University is a Bible-based institution for theological and professional studies. It is rooted in the great commission of Jesus to “Go into all the world and preach the good news to all creation” and to “make disciples of all nations . . . teaching them to obey everything I have commanded you” (Mark 16:15a; Matthew 28:19, 20), which is the primary emphasis of SAGU’s parent body, the General Council of the Assemblies of God.

The purpose of Southwestern Assemblies of God University is to prepare undergraduate and graduate students spiritually, academically, professionally, and cross culturally so as to successfully fill evangelistic, missionary and church ministry roles and to provide quality educational and professional Christian service wherever needed throughout the world.

STATEMENT OF FAITH

SAGU embraces and supports the doctrinal teaching of the General Council of the Assemblies of God as set forth in Article V, Statement of Fundamental Truths, of its Constitution. The following statements summarize these doctrines.

We Believe

....the Bible is the inspired and only infallible and authoritative written Word of God (2 Timothy 3:16).
....there is one God, eternally existent in three persons: God the Father, God the Son, and God the Holy Spirit (Deuteronomy 6:4; Matthew 28:19).
....in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death, in His bodily resurrection, in His ascension to the right hand of the Father, in His personal future return to this earth in power and glory to rule a thousand years (John 1:1).
....in the blessed hope — the rapture of the Church at Christ’s coming (Titus 2:13).
....the only means of being cleansed from sin is through repentance and faith in the precious blood of Christ (John 14:6).
....regeneration by the Holy Spirit is absolutely essential for personal salvation (Titus 3:5).
....in water baptism by immersion (Matthew 28:19).
....the redemptive work of Christ on the cross provides healing of the human body in answer to believing prayer (1 Peter 2:24).
....the baptism in the Holy Spirit, according to Acts 2:4, is given to believers who ask for it.
....in the sanctifying power of the Holy Spirit by whose indwelling the Christian is enabled to live a holy life (Galatians 5:16-25).
....in the resurrection of both the saved and the lost, the one to everlasting life and the other to everlasting damnation (Revelation 20:11-15).
STATEMENT OF CORE VALUES

Bible-based Education
God is the ultimate source of all knowledge and truth and has revealed Himself in Scripture; therefore, SAGU is committed to the authority of the Bible and the integration of biblical values in all academic disciplines. The pursuit of truth and its application in every area of life comes through understanding the Word of God and knowing Christ. The University intends that students will deepen their understanding of Scripture and develop well-founded theological convictions for a life of Christian service through a carefully selected core of Bible and theology curriculum.

Academic Excellence
SAGU is a university devoted, under God, to the pursuit of truth through the use of the mind. Students, therefore, are encouraged to bring their minds in submission to Christ and fulfill their responsibilities as stewards, and work for the integration of thinking and learning in the framework of a Christian worldview. Students are encouraged to develop their minds and intellects in the pursuit of knowing Christ and his creation, and seeking God’s direction as they choose a vocation or career path.

Spiritual Formation
SAGU is committed to fostering spiritual formation among students that produces life-long spiritual growth and character development. Students are encouraged to develop their understanding of biblical faith, increase their desire to know and serve God, and develop personal integrity and character by applying biblical values to their lives. Chapel and local church participation is emphasized because worship is an important element in the University’s strategy for spiritual formation.

Missions-mindedness
SAGU is founded on the belief that every believer has a personal responsibility for the Great Commission. SAGU intends that students will embrace missions-mindedness as evidenced by life-long personal involvement in world evangelism, a life of intercessory prayer for the lost, personal witness, contributing resources to world evangelism, and a willingness to go into full-time missionary work (if called by God) or, at a minimum, participate in a short-term mission trip.

Pentecostal Distinction
SAGU is committed to an environment that encourages students to experience Spirit baptism according to Pentecostal theology to obtain additional power for witness, personal edification through speaking in tongues in private prayer, and additional enablement through spiritual gifts, while continually pursuing spiritual formation and a Spirit-formed character. The University also encourages the operation of the gifts of the Spirit in worship services according to the scriptural directive.

Servant Leadership and Ministry
SAGU’s mission is founded on the belief that God intends every believer be actively involved in ministry that reflects service and servanthood. Fulfilling the mission of the church requires all believers, no matter their chosen career and calling, to work in team-like fashion using their unique gifts and talents in churches and ministries around the world as pastors, board members, elders, deacons, and heads of creative ministries in the pattern of the servant ministry of Jesus Christ.
Community and Personal Wellness

SAGU is committed to the understanding that discipleship occurs in community and in relationship; therefore students are encouraged to develop the social and relational skills needed to contribute to an affirming, loving, and giving community of believers. Additionally students are encouraged toward emotional and physical health for the purpose of enabling long, faithful service unto God. Eating properly, sleeping adequately, exercising regularly, and sufficient rest properly honors God through the body.

UNIVERSITY STUDENT LEARNING OUTCOMES

Upon graduation from SAGU, students will be able to:
1. integrate biblical principles of faith into their lives.
2. demonstrate academic competence in their respective fields of study.
3. formulate a personal strategy for Christian service.
4. engage in a global community with societal awareness, cross-cultural appreciation and a biblical worldview.

UNIVERSITY STANDARDS

Southwestern Assemblies of God University embraces standards of conduct that are the same as those generally accepted by the Assemblies of God in America. These are characterized by clean behavior and conversation, modest apparel, high moral standards, commitment to excellence in educational and professional development, and deep consecration and devotion in spiritual life.

High Christian standards relate to all facets of University life. Though they are reflected in the spiritual development of the student, they do not end there. Christian citizenship is a biblical obligation. Christian ethics extend into the intellectual development of an individual, and Christian morality regulates social relationships. Accordingly, the Christian will assume responsibilities in the educational community with cheerfulness and friendliness. Relationships at SAGU must reflect moral purity and distaste for promiscuity. High standards are imposed in the area of physical development. This results in habits and diets that contribute to good health and physical well-being.

The same Christian standards apply to faculty, staff, and students. General student conduct standards are explained in the Student Handbook. The Student Conduct Committee embraces the responsibility of maintaining the high Christian standards of the student community. The committee may require a student who does not embrace the aims and ideals of the University to withdraw if the general welfare of the University demands it.

HISTORY

Three Bible schools joined together to form Southwestern Bible Institute. The first, known as Southwestern Bible School, was established at Enid, Oklahoma, in 1927 under the leadership of the Reverend P. C. Nelson. The second, Shield of Faith Bible School, was founded in Amarillo, Texas, in 1931 under the direction of the Reverend Guy Shields. It included not only a Bible school, but also a grade school and high school. The third, which was operated as Southern Bible Institute in connection with the Richey Evangelistic Temple, began at Goose Creek, Texas, in 1931. It was started by the Reverend J. T. Little in Trinity Tabernacle and later moved to Houston in 1933.

The Bible school division of Shield of Faith was moved to Fort Worth in 1935. The high school division was transferred the following year. In 1940, a merger resulted in Southern Bible Institute moving to Fort Worth.
Worth. The combined school, operating as South Central Bible Institute, came under the ownership and direction of the Texas District Council of the Assemblies of God. The school in Enid merged with South Central in 1941, at which time the name was changed to Southwestern Bible Institute. In 1943, the institute was moved to its present facilities in Waxahachie, Texas. During the 1944-45 term, a junior college curriculum was added to the school’s program. The Junior College Division soon accounted for about half of the enrollment in the College.

Southwestern Bible Institute became a regional school in 1954. At that time seven districts of the Assemblies of God—Arkansas, Louisiana, New Mexico, North Texas, Oklahoma, South Texas and West Texas—owned and operated the school. In 1969, the Rocky Mountain District, composed of Colorado and Utah, was admitted to the region. The Mississippi District was added to the region in 1979. In 1980, the Rocky Mountain District voted to withdraw from the Southwestern Region and to remain neutral.

The proposal to change the name of Southwestern was ratified by all seven Districts, and the name became Southwestern Assemblies of God College. In 1963, the upper two years of the College were renamed Southwestern College of the Bible. In 1968, the separation of the divisions of the college was made more complete, and the Junior College was designated Southwestern Junior College of the Assemblies of God and was accredited by the Commission on Colleges of the Southern Association of Colleges and Schools. In 1984, the School of Distance Education was established. In 1988, the Junior College and Bible College divisions were reunited as Southwestern Assemblies of God College and in 1989 regional accreditation was attained. In December 1994, the Board of Regents unanimously approved the name change to Southwestern Assemblies of God University. In the same meeting the Board authorized the development of the Thomas F. Harrison School of Graduate Studies to provide master’s degree programs. In 2004, the University restructured its academic organization to recognize two colleges under the University umbrella: the College of Bible and Church Ministries, and the College of Arts and Professions.

The vision for a higher level of education was born under the administration of President Dr. Delmer Guynes. In the summer of 1996, Southwestern Assemblies of God University opened its Graduate School. Dr. H. Glynn Hall was appointed as the first Dean of Graduate Studies at SAGU. With conditional accreditation from the Southern Association of Colleges and Schools (SACS), and two master’s degrees available—Practical Theology and Education—the graduate school offered its first program in the fall of 1996. The master’s degree in Counseling Psychology and Graduate Distance Education courses were still in development when the first twenty-three students registered that fall.

Within a year, the graduate school was named the Thomas F. Harrison School of Graduate Studies (HSGS), as the beneficiary of the estate of the late Dr.’s Thomas F. and Louise K. Harrison. The foundation established under the leadership of Dr. Hall provided for the continuity of the growth rate of HSGS, as well as the expansion of academic programs, resulting in over 300 students by 2010.

In the year 2000, Dr. Hall relinquished his position as Dean of Graduate Studies. Dr. Robert N. Harden was appointed to carry the vision of growth for the graduate school. That vision includes the addition of diverse programs of study, doctoral degree programs, higher enrollment, and physical plant development. HSGS now offers master’s degrees through various formats to put higher education within reach of students: evening/weekend classes, distance courses, and specialized seminars.
