Additional Academic Policies and Advising Points pertaining to the Degree

1. Completing a M.Ed. from the Education Graduate Studies does not guarantee eligibility for the School Counseling Certification program or state certification candidacy. Students must complete all certification requirements stipulated in this catalog and through advisement with the Certification Officer.
2. SAGU does not offer dual track or dual specialization options within a major (M.Ed., M.S., M.A.) on the graduate level. Students may take course work from another track if it is available and their degree plan allows. These courses will appear on their transcript along with their required course work. Unless they file a change of major, both their diploma and transcript will list the track/specialization they initially indicated. However, upon earning a Master of Education degree, a student is eligible to apply as a post-graduate student and complete course work required for additional certifications.
3. Students who change tracks/specializations or majors after taking 12 hours of graduate course work towards another specialization or major will need to take courses for their new specializations or majors as they become available. In these circumstances, SAGU is not obligated to bring up courses irregularly to satisfy students' intended graduation date from their previous specialization or major.

HISTORY

The master's degree in History prepares graduate students academically, professionally, and spiritually for quality educational and professional Christian service by providing advanced training in history and related disciplines and research techniques, accompanied by appropriate elective studies.

The program is a three-track Master's degree in History, consisting of 30-33 semester hours of course work (depending on which of three tracks is chosen by the student). The three tracks are offered to give students maximum flexibility in their degree. The program is designed to be completed over a two-year course of study.

Student Learning Outcomes

1. Employ appropriate research methodologies.
2. Analyze, interpret, and correctly cite sources of information.

4. Engage in original historical research involving significant use of primary source materials.
5. Identify arguments in historical scholarship and evaluate them critically.

This requirement is expected to be met before enrollment into any graduate level course. However, under special circumstances with approval from the Dean of the Graduate School, a student may enroll for one semester taking no more than 12 graduate hours prior to fulfilling the requirement of the GRE. No student will be allowed to enroll for a second semester without fulfilling the GRE requirement. All transfer students are required to meet the GRE requirement before enrollment.
