The Sports Management specialization is designed to prepare students for career opportunities in the field of sports management from a Christian perspective. The specialization gives a strong background in sport and fitness as well as a business component developing skills to hold management level positions in industries related to organized fitness.

Upon completion of this program students should be able to:
1. Understand the history of physical education and sport.
2. Understand principles of physical fitness, first aid, and safety.
3. Use basic sport skills in selected lifetime or team sports.
4. Demonstrate knowledge of personal and community health.
5. Appreciate the use of physical activity in meeting the needs of physically challenged people.
6. Understand the function of the human body in psychomotor activities.
7. Understand the process of evaluation and assessment of fitness and sport activities.
8. Address the care and prevention of athletic injuries.
9. Employ principles of management of programs, facilities, and people.
10. Work with the legal implications of providing athletic and fitness programs to individuals and groups.
11. Promote and market athletic and fitness programs.

Additional Program Stipulations

1. All full-time students are to include one Bible, theology, or religion course each semester until degree requirements have been satisfied.
2. First-year students enrolled full-time are to include GES 1122 in their first semester schedule.
3. First-year students are to enroll in activity physical education courses each of their first two semesters at SAGU. Exceptions will be granted only with approval of the College Dean.
4. Veterans with at least 6 months of service may apply for and receive 4 hours of credit for physical education. Contact the Registrar’s Office.
