The purpose of the bachelor's program in History is to prepare undergraduate students to provide quality educational and professional Christian service by providing a comprehensive understanding of history and related disciplines and research techniques.

Upon completion of this program, students will:

1. Design accurate responses to hypothetical problems in historical scenarios.
2. Explain points of comparison and contrast between different civilizations and societies.
3. Identify, define, or explain significant ideas, facts, and concepts in American and world history.
4. Analyze motivations, interactions, and consequences of cultural exchange in American and world history.
5. Assess the impact of policies and actions by people and governments.
6. Communicate historical knowledge, interpretations, and arguments clearly in writing and in
