The Associate of Arts in Media is designed to prepare students for media ministry within the local church and on the mission field, enabling them to be proficient in the operation and execution of the essential elements utilized in effective media ministry.

Upon completion of this program, students will:

1. Demonstrate and implement production procedures and practices for media programming.
2. Create and develop concepts for Christian program production.
3. Demonstrate an ability to serve successfully on a production team.
4. Describe fundamental communication theories with respect to the effects of media.
5. Demonstrate the utilization of media to accomplish the goals of the church in education, information, and evangelization.
