The Bachelor of Social Work prepares students academically, professionally, and spiritually for quality educational and professional Christian service by providing training in generalist social work and related disciplines, accompanied by appropriate elective studies.

### Upon completion of this program, students will:

1. Demonstrate in-depth understanding and apply the knowledge, values, and skills of generalist social work.
2. Demonstrate understanding of principles, theory, knowledge, values and skills of applied social research.
3. Demonstrate proficiency in critical thinking skills within the context of generalist social work practice.
4. Apply knowledge of bio-psycho-social variables that affect individual development and behavior, and use of theoretical frameworks to understand the interactions among individuals and social systems.
5. Understand the history of the social work profession, its current structures and issues.
6. Analyze the impact of social policies on clients systems, workers and agencies.
7. Understand forms and mechanisms of oppression and discrimination and the strategies to advance social and economic justice.
