The Associate of Science in General Studies is designed to prepare students to fill ministry and service roles by giving them breadth of knowledge in the liberal arts and biblical studies, and to promote critical thinking that is fundamental to the higher education experience.

Upon completion of this program, students will:

1. Demonstrate proficiency in General Education courses.
2. Demonstrate proficiency in General Biblical Studies courses.
3. Complete a program of study to be used for transfer to a bachelor's degree.
