The Media Ministries degree is designed to equip student for a vocation that employs media within the local church, national and international evangelistic and teaching ministries, and on the mission field, as well as in schools and the secular media industry. During this program of studies students will engage significant field ministry experiences.

Upon completion of this program, students will:

1. Demonstrate and implement production procedures and practices for media programming.
2. Create and develop concepts for Christian program production.
3. Demonstrate an ability to lead a production team.
4. Describe fundamental communication theories with respect to the effects of media and ethical considerations.
5. Demonstrate the utilization of media to accomplish the goals of a designated client, whether secular or ecclesiastical.
