The Business Administration specialization is designed to provide academic experiences with a Christian perspective to facilitate students' abilities to perform responsibly and effectively in entry-level positions in the business administrative environment.

### Upon completion of this program, students will:

1. Utilize critical thinking skills and knowledge competencies to generate business strategies across a broad range of disciplines.
2. Apply management fundamentals including planning, organizing, directing, and controlling a business organization.
3. Demonstrate an understanding of how legal and ethical principles influence and impact organizations.
