

To help build this endowment you can give to **The Impact-Your-World Leadership Scholarship**. Please make checks payable to

Southwestern Foundation  
1200 Sycamore  
Waxahachie, TX 75165

Please note "Impact-Your-World Leadership Scholarship" in the memo line of the check.

---

The Impact-Your-World Leadership Scholarship is designed to provide a one-time annual support of \$4,000 to a student who has consistently displayed outstanding leadership qualities and abilities.

The scholarship shall be awarded to a student for their junior or senior year who has absolute financial need, preferably a student who would not be able to return to school without this financial assistance.

The Impact-Your-World Leadership Scholarship is designed for a student majoring in Youth Ministries or Missions who, upon graduation, plans to devote his or her life and career to a leadership role in either Youth/Campus Ministries or Foreign Missions.

## The Impact-Your-World Leadership Scholarship

**Celebrating God's  
Gift Of Leadership  
In SAGU Students!**

---

---

The Impact-Your-World Leadership Scholarship is funded in memory of Attorney Donald C. Rikli and his wife, Joan Tate Rikli, for his leadership contributions on a national level in the field of law and for her leadership contributions on a local level in the education arena.

Their daughter is a long-time member of the Assemblies of God, a former Air Force officer and a leader within the Missionettes Ministry who saw students unable to continue their education at SAGU due to a lack of funding. This provided the inspiration for and led to the creation of The Impact-Your-World Leadership Scholarship.

More specifically, the scholarship itself is tailored to a stellar leader within the student body who God has destined to emerge as a true leader among men .... who will without reservation or hesitation use that gift to do mighty things for God ... especially upon graduation.

---

---

Where most would argue that management skills can be taught, leadership is inherently a true gift from God. Leaders are individuals destined, ordained and called by God. Even in their youth they repeatedly emerge to orchestrate and direct activities, clubs and programs while simultaneously leading and influencing groups of people.

Under the helm of individual leaders who dedicate their leadership talents to God, simple activities, programs, ideas, and even dreams and visions can metamorphosize and give birth to dynamic and vivacious ministries.

It is a choice all young Christian leaders must face ... whether to use that impactful gift of leadership and dedicate it completely to the work of the Lord.

---

---

Indeed, tens of thousands of souls can be changed and come to know Jesus in a very explosive and personal way from the simple giving of just one person's leadership gift back to God.

This scholarship is designed for a junior or senior who has consistently displayed outstanding leadership qualities and abilities. More specifically the scholarship will be awarded to a Youth Ministries or Missions major who plans to devote his or her life and career to a leadership role in either Youth/Campus Ministries or Foreign Missions ... and preferably a student who would not be able to return to school without this financial assistance.

The Impact-Your-World Leadership Scholarship truly is designed to celebrate God's leadership gift in Southwestern Assemblies of God University students ... and to preclude God's chosen leaders from having to leave school for financial reasons!

---
