PREFATORY

This volume makes its debut as the first annual of the Shield of Faith Bible Institute. It portrays the activities of the student body, both of the Bible and the High School departments. It is an effort to set forth in pictured form, the ideals of an institution dedicated to the inculcation of Christian truths and principles into the hearts and minds of those who are to be Harvesters in the fields of the Lord.

Herein are pictured the various student groups and those who are responsible for them and their work, the teachers and members of the official board.

It is the earnest prayer and desire of the entire personnel of the institution that each student may have planted deep within his heart and mind the saving truths of the Gospel, and to go from this school with the sickle of God's Word as a Harvester of the golden grain.

May God's blessing rest upon all who have had a part in the blessed ministry.

WM. BURTON McCAFFERTY

Thrust Ye In the Sickle

William Burton McCafferty

Thrust ye in the sickle,
Reap the golden grain,
For the Lord of Harvest
Soon will come again.
Labor in the noon-tide,
Bear the toil and pain,
Soon will end the harvest
Then a glad refrain.
Haste then to the harvest,
Labor there with care,
Working for the Master—
Gleaning everywhere.
When at last we've gathered
Every bundle in,
We shall reign with Jesus
Free from every sin.
Work in early morning,
Work in evening light,
Time is swiftly passing
Soon will come the night,
Thrust ye in the sickle,
Reap the golden grain
For the Lord of Harvest,
Soon will come again.

REV. GUY SHIELDS
Founder and President

MRS. GUY SHIELDS

To The Graduating Class of '38 as Well as All Former Students and Graduates:

Please accept this message from the heart of one who loves you, as near as possible, like that of a true father. My message to you at this time is taken from my oft repeated Scripture, Revelation 2:10, "Be thou faithful unto death and I will give thee a crown of life."

I warn you precious students that you are going out into a cold world, and many trials and tribulations await you. But be thou faithful! The race is not to the swift but to the faithful. He that endureth unto the end the same shall be saved. God has not called you to do the impossible, but has called you just to be faithful with whatever talent He has given you.

The five talented man was faithful and he heard the sweet welcome words, "Well done, thou good and faithful servant, enter thou into the joys of the Lord." Likewise the two talented man heard the same words. If the one talented man had been faithful he too would have heard the same sweet, welcome words, "enter thou into the joys of the Lord." But he was afraid, oh, just AFRAID. Because he was unfaithful he was cast into outer darkness.

It will not be the big things you do in life that will obtain necessarily the final reward, but just being FAITHFUL.

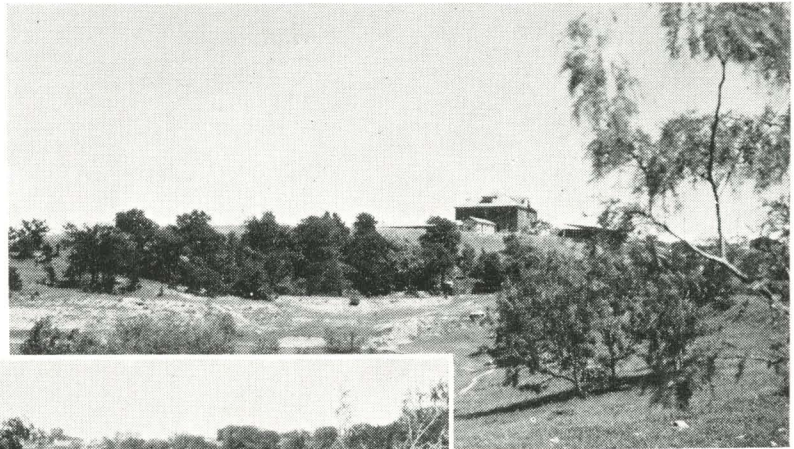

Whatsoever thy hands find to do do it with thy might.

"BE THOU FAITHFUL UNTO DEATH AND I WILL GIVE THEE A CROWN OF LIFE."

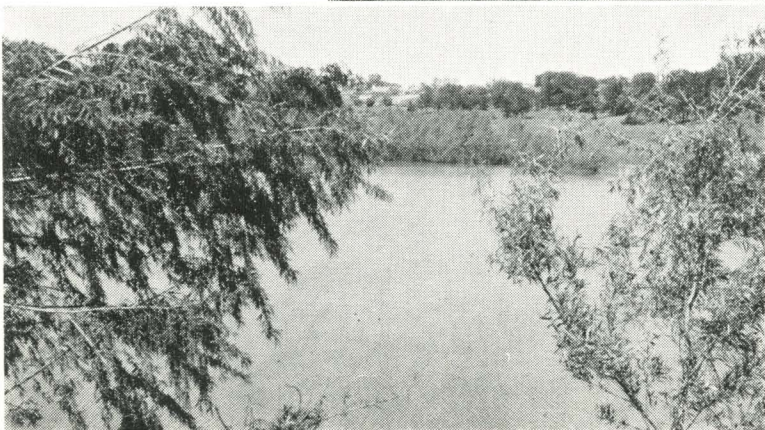

Your Servant, BROTHER SHIELDS

¶“Trust in the Lord, and do good; so shalt thou dwell in the land, and verily thou shalt be fed. Delight thyself also in the Lord; and He shall give thee the desires of thine heart. Commit thy way unto the Lord; trust also in him. .” Psalms 37:3-5. ¶Time moves along. Your precious hours spent in school here are now as fading memories. What you have accomplished or left undone cannot be made otherwise now. You are going forth to browse in other fields, to sail new seas, to soar to higher altitudes of accomplishment in these last days. ¶May you everyone keep subject to the will of God; filled and guided by His Spirit; inspired by His zeal to win souls in the whitened harvest field; and keep true to the Lord, His church, and this great Pentecostal movement. “. . . He that winneth souls is wise.” Proverb 11:30.

MUSIC DEPARTMENT

Harold Miles Robert Arnold Mrs. L. C. Florey Beatrice Best I. L. Fullerton

Music, as it has been said, o'er and o'er, is the Universal Language, and especially is it appealing to the soul in the Religious Realm. There is something about good Gospel music that everyone loves to hear, whether it be vocal or instrumental, and that sometimes causes us to be moved upon in such a manner that it brings us into an attitude of reverence to Our God.

The type of song that seems to be most appealing in the Sacred realm is the old songs of yester-year, which carry a deep feeling of inward emotion and inspiration. These play an essential part in the progress of the Kingdom of God, in that the inspiration thus involved touches the heart-strings of many a human soul and they in turn are put in tune with the Master Musician, even Jehovah God.

May the Ministry of Gospel Music ever go forward and become an integral part of our everyday living.

Solomon says, "Happy is the man that getteth understanding," for, "by understanding hath He established the heavens." Again he says, "Understanding is a well-spring of life unto him that hath it." Of course Solomon has reference here to the understanding of man toward God, Spiritual understanding, but I believe happy also is the one that getteth understanding of the natural or material things of life just so long as it is in harmony with the spiritual. This is the aim of the Commercial Department.

This Department is arranged to take care of four different groups of students. The Bible student who wants the knowledge of typing or shorthand for his personal use; the high school student who is taking the typing, shorthand or bookkeeping for credit; the business student who wants to prepare for the commercial world; and the one who is training for as a ministerial secretary or stenographer.

Regardless of the student's purpose, the motto of our department is "Whatsoever ye do, do all to the glory of God." First Corinthians 10:31 b.

The Missionary vision is growing in the Shield of Faith Bible Institute. The Student Missionary Band was organized to GO, GIVE, and PRAY for those who have never heard the story of a risen Savior.

Those interested in Missions pray daily under the direction of Gladys Altman. In our student body there are those who are interested in missionary work over the entire world. They have divided themselves into different groups that are interested in the different missionary fields of the world and each group prays daily at the noon prayer period for their field. At the prayer period there is prayer going up to God for Missionaries over the whole world.

Hark! Hear the harvesters marching, while the piano seems to speak the words "Onward Christian Soldiers." One, two, three, every student is passing by the plate with his contribution, grasping the glorious opportunity of helping to dispel darkness in Africa, China, India, South America, and the uttermost parts of the world. By this systematic giving our own missionaries, dear Brother and Sister Goodwin, are being blest. Praise the Lord!

Missionary literature rack is in the library filled with good missionary periodicals and missionary posters arouse interest of the students and educate them in the needs of the field.

The Gospel Team work is a very important part in the training of the students. All the Gospel Team Work and Out Station Work is under the direction of Brother Moore. The students who go out from school have precious memories of blessed times they have enjoyed in their team work.

There is a Group Leader, a Senior, over each group. The Churches in Fort Worth welcome the Gospel Teams into their services. Most of the time each Church gives one night service entirely over to the Gospel Teams. The Group Leader takes charge and there are from two to three speakers who bring short messages.

"Preach the word; be instant in season, out of season; reprove, rebuke, exhort with all long-suffering and doctrine." Second Timothy 4:2

On each team there are those who render special music and special singing.

The Out Stations are those students who are going out and opening new fields and establishing new Churches. We have students pastoring or assisting pastor six Churches within a radius of 50 miles from Fort Worth. All of these Out Stations except one have been opened up this year. We are planning for every Bible School student who has a call of God on his life to have an Out Station to pastor. Brother E. W. Moore has helped to open up one new field and Brother Collins is also helping open up new fields.

One who spent four years faithfully labouring in the school is Sister R. L. Meisse. Many days during the beginning of the reality of the Shield of Faith School the great task of managing the discipline, guiding the entire school in the right path was turned over entirely to Sister Meisse.

We thank God for her labour of love and sacrifice in the establishing of the Shield of Faith School and sincerely pin these word to her praise to the Glory of God and the advancement of His Kingdom.

Sister Meisse in her faithful work for the school broke down her health, and though she is not with the school now we feel her prayers and we in turn are praying for her.

By Brother Shields

(Delivered in Chapel Service
Sept. 30, 1937)

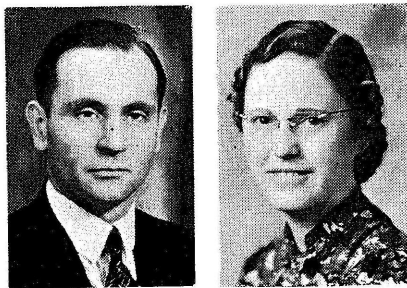

Introduction: Scripture — Matt. 14:16.

This is a story of one of the miracles of our Lord; the feeding of the multitude with the loaves and fishes. Let us notice that there were five thousand men besides women and children. I think we are safe in saying He fed fifteen thousand people with those loaves and fishes. There are always as many again women and children as men that go to church. There were five thousand men beside the women and children and He fed them all.

They said, "We have but five loaves and two fishes." He said, "Bring them to me." Now Jesus had been up in the mountain. It was right after the death of John the Baptist; His heart was heavy and sad; He went alone to with God during that time sure. There are times

love to be alone with God weep your heart out. He knew that the coming for Him and He w

and see those who know not God and are not saved and are starving to death for Jesus Christ. They need not depart, they need not die and go down in sin and sink in despair, but my privilege and your privilege as workers and students and teachers is to give them something to eat.

First: These preliminaries lead down to four things that I want you to notice in this text. *He took, He blessed He brake and He gave.*

After He blessed the bread, then He brake the bread. I want you to notice that the people could never have been fed had it not been broken. Praise the Lord. Then after the bread was broken, then it was distributed to the people and they ate and were satisfied.

Second: Now let us go back beyond this. Jesus was with the Father before the world was. Way back when God said, "Let us make man," He was speaking to His Son. But the world, or rather man, went away from God and was wandering about like sheep without a shepherd and knew not God. The bullocks and the lambs had been offered through the ages but God was weary and tired of that. In the course of time, Jesus took a body, Praise God, and came into this world, conceived of the Holy Ghost, born of the virgin Mary in a stable;

Why Students from 20 States Came to Shield of Faith Bible Institute

LOCATION

The Shield of Faith Bible Institute is located at 2115 Belle Avenue, North Fort Worth, Texas. The school buildings stand on a hill over looking the city, at the intersection of Twenty-Second Street and Belle Avenue. Fort Worth is one of the great cities in the South. It has modern conveniences, beautiful parks, nice homes, good schools, and thriving business concerns. Here the people are typically Southern in hospitality and Western in friendliness. The Institute is within an hour's drive from the city of Dallas, and many small cities and towns are easily accessible over paved highways. Here the climate is mild, and the days are pleasant most of the time. There is very little snow during the Winter, Spring comes early, and Autumn lingers long.

ORGANIZATION

Shield of Faith Bible Institute is incorporated under the laws of the State of Texas, and operated under the direction of a Board of Directors, composed of seven Assembly of God men, four of whom are ordained ministers, two business men, and one a farmer. These are appointed by, and amenable to the Texas District Officiary of the Assemblies of God. Of this group Rev. Guy Shields is President; Rev. Millard E. Collins, Vice-President; Rev. O. B. Braune, Business Manager; and Wm. F. Shipp, Secretary-Treasurer. These compose the executive board: Rev. Carl Stewart, Brother E. C. King and Brother Leonard Shields are the other three members of the Board of Directors. Working in cooperation with the Board of Directors is an Advisory Board composed of the Texas District Superintendent, Rev. F. D. Davis, the Texas District Secretary, Rev. E. B. Crump, and Rev. Wm. B. McCafferty.

The School is organized into many departments including a full four year standard high school, a full three year standard Bible School, a business college department, and a music department.

FACULTY

One of the outstanding features of the School is its faculty. In every department we have secured teacher who have not only the educational qualifications to teach the subjects that they teach, but a wide background of experience as teachers and workers in Christian work. Our faculty have taken their academic preparation in widely distributed schools and colleges, in various states.

SUMMER SCHOOL

In addition to the regular courses offered in the fall and winter terms, we also have a Summer School which lasts from the close of the winter term until the Summer Camp Meeting. The Summer School covers a period of eight weeks, and students may take two semester units of credit in High School department during these eight weeks. This short course is especially helpful to students who wish to get some practical schooling in the Bible or who wish to complete the work in the other department a little sooner. Our whole faculty does not stay here during the summer. Some go away for additional schooling, others will be away in evangelistic work, but a sufficient staff of workers will be maintained to accommodate all who come for the summer school work.

SHIELD OF FAITH ANNUAL CAMP MEETING

For ten days prior to and including the fourth of July the school conducts a big camp meeting. In addition to Brother Shields and members of the faculty, capable and experienced camp meeting speakers and ministers of prominence in the Brotherhood appear of the program. The camp grounds are within a few minutes ride of the beautiful parks in the city of Fort Worth, which cover hundreds of acres of beautiful timbered grounds affording cool, comfortable resting places while the camp meeting is not in session. New and special arrangements are being made for this year to take care of the large number of people whom we expect to attend this great event.

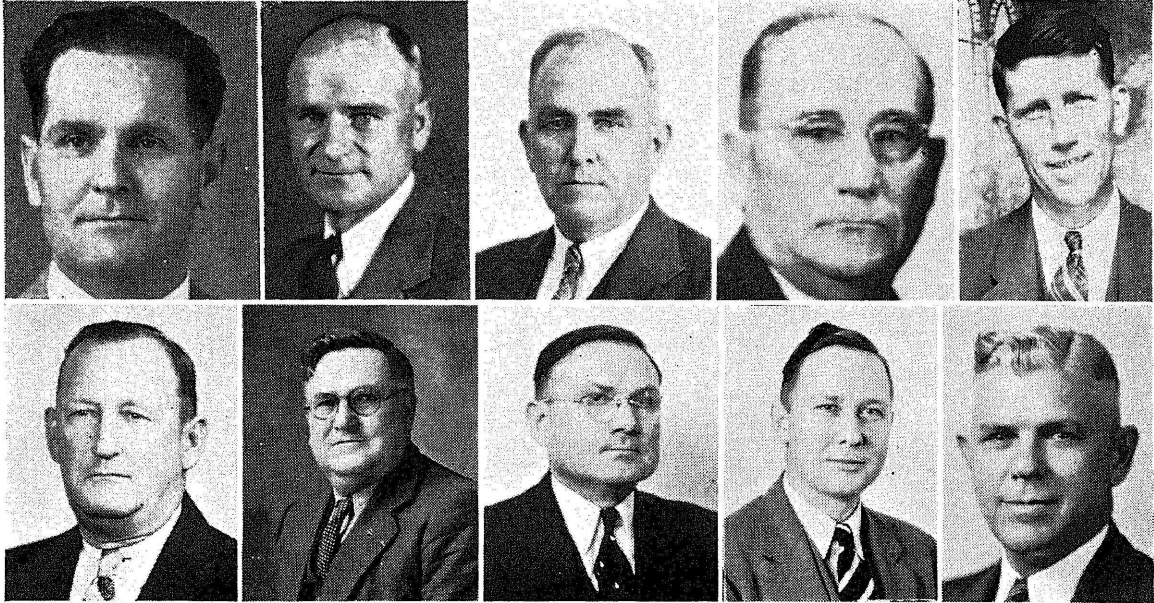

EXTENSION WORK

While students are getting their training in the class room they are also given practical training in the extension department. In addition to the churches here in the city giving them an opportunity to assist in the services, there are many outstations and many places where outstation work will be established as rapidly as possible. In this work students get experience of actually winning souls to Christ and working in the altars, as well as preaching, singing, playing instruments, etc.

COST TO STUDENTS

The cost of attending school at Shield of Faith is very little as compared with the great advantages that young people have here. Young people are attending school from many states. Additional information may be had at any time by writing to the Registrar at Shield of Faith Bible Institute, 2115 Belle Avenue, Fort Worth, Texas.

Greetings to the Graduating class of the Shield of Faith Bible Institute, known to us as the Harvesters.

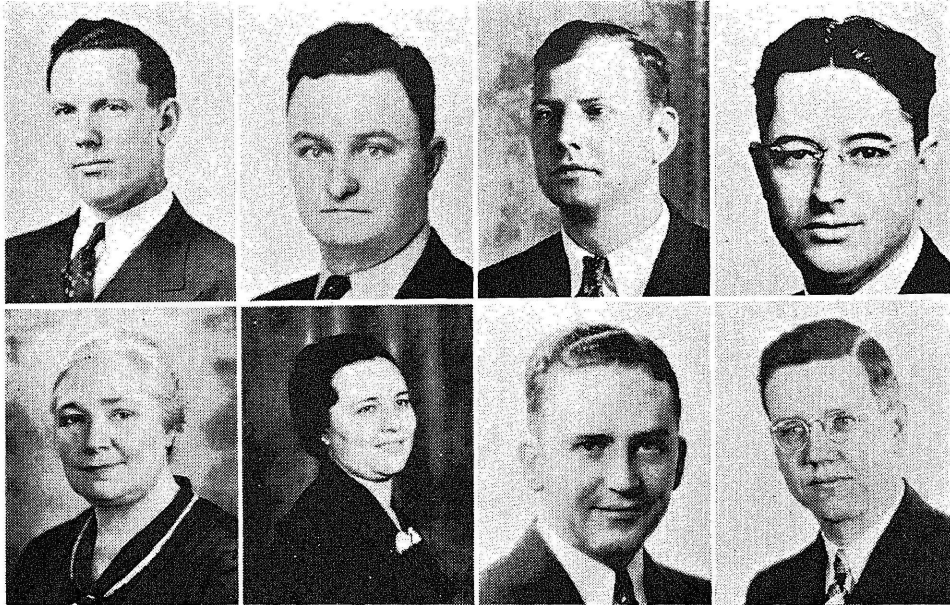

My young friends, truly the Harvest is white, Go ye forth in the Name of the Lord of Harvest, sowing golden grain and reap for service, with faithfulness a crown of life that fadeth not away; Number 6:24 to 26. The Lord bless thee, and keep thee. The Lord make his face to shine upon thee, and be gracious unto thee. The Lord lift up his countenance upon thee and give thee peace. My peace go with thee, Amén.

We are glad to announce that the Shield of Faith Bible Institute has been indorsed by the Teaxs District Council. We are glad to say to our friends that this Institute has complied with our District regulations and we the District officials are made a part of the advisory board. We are recommending Shield of Faith Bible Institute to all those desiring a Bible training.

Respectfully submitted,

God has surely blessed the Texas District Council in the past few years, we give Him all the Glory.

When the writer came into this district in 1923, the district included all of Texas, New Mexico and Arizona. There were, in the district, at that time, about 25 Assemblies and 40 Preachers. Many have laboured very earnestly since that time and God has added His blessings.

About 1925 Arizona affiliated with Southern California district. In 1931 the Texico district was formed which includes all of New Mexico and the plains of Texas. The Texas district does not now include all of the state of Texas, yet we have on our list 525 preachers and 350 churches; two Bible Schools and the end is not yet if we will be true to God.

It is a real problem now to secure an Auditorium large enough to take care of our district Councils. God has his hand upon us, and we must be true to the trust He has given us.

GOSPEL MUSIC

Gospel music plays an important part in Worship. Good musicians are in demand. Here at Shield of Faith Bible Institute, we encourage students to study music. We have a very capable faculty. Students may learn to play any instrument they desire, and also study sight singing, choir conducting, harmony, and composition.

There is no tuition charge except for private voice and piano lessons. All other music lessons are free. Our desire is to send forth many good musicians into the work of winning souls.

SHIELD OF FAITH HIGH SCHOOL

The Shield of Faith High School is meeting a great need of many Christian parents all over the United States who want their children to have high school training in Christian environments and especially among our Pentecostal ranks. It was formerly believed that only those who were called for a special work for God needed Bible training and as a result of this need Pentecostal Bible Schools have sprung up all over the country and we are proud of the many Bible Schools and much money is being spent in their behalf.

The Vision of Shield of Faith has included not only those who are seeking Bible School training, but it includes the need of those of high school age. It is very sad for parents who live daily before God on their knees sacrificing their lives for their children and then have them enter the public high schools where God has no place and is not recognized at all.

We offer a full four-year course; four years English, two years History, one year Mathematics, General Science, Civics, Typing, Shorthand, Bookkeeping, Business English, Business Arithmetic, Art, Effective Speaking, and each High School student is required to have two credits in Bible to graduate. The courses we offer in Bible are: Life of Paul, Bible Atlas, Bible Reading, and ALL Seniors in their Senior year are required to take Old Testament the first semester and New Testament the second semester.

All our teachers have received their education and training in colleges and universities and have graduated from some one of our Pentecostal Bible Schools. Brother E. W. Moore, Principal of the High School, attended San Francisco State Teachers College, San Francisco, California, three years and is also a graduate of Glad Tidings Bible Institute, San Francisco.

Parents, we highly recommend our High School as a wonderful place to send your children for high school training. The High School is growing fast but there is still that vital personal touch between teacher and student and above all, the Holy Ghost is the Master Teacher.

We are proud to have had a part in the production of this annual, and we take this occasion to wish the graduates happiness and success.
