Degree Path: B.A. in Business

College of Business and Education

22-23 Catalog

OVERVIEW

The Bachelor of Arts in Business (B.A.) degree program prepares students to perform responsibility and effectively in entry-level positions in the business marketplace. Students will be equipped with the practical knowledge of fundamental core business principles in Accounting, Finance, Management, and Marketing. Students will also take courses in Economics, Law, Statistics, Ethics, Management Communications, and Technology. Furthermore, students will participate in experiential learning opportunities throughout their courses by completing real-world projects, simulations, case analysis, and an internship opportunity to apply critical thinking and decision-making skills to real-world scenarios.

The B.A. degree is rooted in the Christian view of business and prepares students to function successfully in the business marketplace regardless of the specific direction the Lord may direct their path such as running their own business, working for a small business or non-profit, or working with a larger firm.

CAREER OPPORTUNITIES

According to [Research.com](https://www.research.com), the business administration career outlook is projected to grow faster than all other occupations as shared in the Bureau of Labor Statistics report in 2021. Salaries are also substantial with a bachelor's degree salary ranges from \$50k-80k depending on the degree level, the industry, and the position in the company. Students graduating with a Bachelor of Arts in Business (B.A.) degree will gain a business & Biblical foundation for future career opportunities.

PROGRAM HIGHLIGHTS

As you complete this program, you will:

- Utilize critical thinking skills and knowledge competencies to generate business strategies across a broad range of disciplines.
- Apply management fundamentals including planning, organizing, directing, and controlling a business organization.
- Demonstrate an understanding of how legal and ethical principles influence and impact organizations.

Minors available to add to this degree include:

Entrepreneurship, Marketing, Accounting, Business Sports Management, and Management.
